'Intercollegiate Seminar Competition for B.Sc.III Sem-V Students

(2024-25)

Jointly organized by

**Mungasaji Maharaj Mahavidyalaya, Darwha with
Amravati University Chemistry Teachers' Association (AUCTA)**

Student Activity Report

**Name of Activity- 'Intercollegiate Seminar Competition for B.Sc.III Sem-V Students
(2024-25)**

Topic of Activity- 'Heterocyclic compounds, Dyes and Drugs'

Class of Activity- B.Sc.III Sem-V

Date of Activity- 1st October-2024

Name of host institution- Mungasaji Maharaj Mahavidyalaya, Darwha

Name of Prize Winners along with the name of colleges-

First Prize: Ms. Palak Wankhade, Vidyabharati College, Amravati

Second Prize: Ms. Sanghamitra Virghat, Brijlal Biyani College Amravati

Third Prize: Ms.Rutuja Tikhile, Shri. Shivaji Science College, Amravati

Name of Judges/observer along with the name of colleges –

1. Dr. C. D. Badankhe , Dr.Manorama , Prof. Haribhau Art's, Commerce and Science College
Balapur

2. Dr. A.V. Sapkal, P. N. College Pusad

Name of the District Coordinator who attended the activity- NIL

Brief report of students' feedback-

All the participating students gave very positive feedback for the organization of this competition. They added event was well-organized and there were smooth transitions between presentations, Q/A session and discussion. They experienced valuable learning experience, gained new insights and perspectives through different presentations and discussion by observers. They admired all the arrangement made available at center including LDC projector, breakfast, lunch and smooth registration process and homely atmosphere.

Brief report of observer comments-

Both the observers gave positive feedback and comments on organization of seminar competition by the host institution. They admired the diverse range of topics selected for this competition. They also admired participants for their exceptional critical thinking, presentation skills and the confidence during presentation. Adding to this both the observers motivated participants by saying that it was inspiring to see students tackle complex issues with innovative solutions. They also encouraged students who failed to have rank in the completion by their motivating words.

Brief report of inaugural ceremony-

The University level Intercollegiate Seminar Competition for B.Sc.III Sem-V Students on topic '**Heterocyclic compounds, Dyes And Drug**' was conducted on **1st Oct-2024** by Department of Chemistry , Mugasaji Maharaj Darwha in collaboration with AUCTA. The program started with inaugural ceremony. The Principal, Prof. S.B. Chakave chaired the inaugural function. The seminar was inaugurated by the gracious hand of Prof. Dr. N.S. Thakare, President of AUCTA. Prof. Dr. V. B. Raut, Former Principal, M.M. College, Darwha was present as Guest of Honor. Dr. C. D. Badankhe, Dr.Manorama Commerce and Science College Balapur and Dr.A.V. Sapkal, P. N. College Pusad were present as the jury members. Prof. Bageshwar, Prof. Solanke, Prof. S.V. Chatur were present as chief guest. On the occasion of the inauguration of the seminar, Prof. N.S. Thakare, President of AUCTA highlighted the activities conducted by AUCTA and encouraged them to see their bright future in the field of chemistry by showing the opportunities available in the subject.

Prof. Dr. V. B. Raut encouraged the students for participation in such seminar competition. Principal Prof. S.B. Chakave welcomed all the participants from various colleges focusing on the importance of seminar competitions and for personality development. Total 13 colleges affiliated to S.G. B. Amravati University, Amravati participated in this activity. The coordinator of this university level seminar, Prof. Dr. N.A. Rashidi, Head of the Department of Chemistry, introduced the guests and reviewed on the theme of seminar competition i.e '**Heterocyclic compounds, Dyes and Drugs**'. She added the topic is closely associated to our daily life and the focus on it's application in daily life will give new insights to students about the subject. This seminar competition was conducted in three sessions, inauguration, technical presentation and prize distribution.

Brief report of valedictory ceremony-

Principal Prof. S.B. Chakave chaired the valedictory session. Prof. P.D. Bageshwar, Head of science faculty, Prof. Y.S. Solanke, Prof. N.A. Rashidi, Dr. P.H. Bhagwat were present to felicitate and appreciate the students' performance at valedictory session. The examiner Dr. C. D. Badankhe guided the students for the success in life. Asst. Prof. A. Sapkal boosted the morale of the students band shared his views. Two participants gave their positive feedback on overall organization of seminar competition. Both the examiners provided positive feedback by

admiring the facilities provided for the competition which was the actual success of this competition. The guests and examiners appreciated the students and wished them all the best for the future.

Brief report of AUCTA's contribution-

Amravati University Chemistry Teachers' Association (AUCTA) is actively engaged in organization of various activities which actually provides the platform for the young minds to show their talent, confidence, creativity and different skills. For the session 2024-25, seminar competition for TY B.Sc is allotted to our college and we are grateful to AUCTA for this wonderful opportunity. Prof. K. N. Puri, AUCTA Secretary provided invaluable guidance for organizing this seminar competition. AUCTA has provided invaluable support for organization of this event. We are grateful to AUCTA showing the trust on our college as well as for financial support for the organization of this event.
