1. INTRODUCTION

The institution established under Vidya Prasarak Mandal Darwaha in 1971 with Arts and Commerce faculty. Later on Science Faculty and H.S.C.Vc. have been started in 1983 and 1992 respectively. Besides these faculties, our institution has Arts and Commerce Faculty at Junior college level established in 1975 and a Faculty of Science (non-grant) at the same level has been opened in 2008. It comes under UGC Act of 1956, **2(F) and 12(B) since 1987** and continuation from 2012.

The institution is enriched with highly qualified, well-experienced and dedicated teaching and non-teaching staff. The institution runs **03** UG, **12** PG and **06** Ph.D. Programmes. There are **24** full-time faculties, out of which **06** Professors, **5** Associate Professors and **13** are Assistant Professors. Total **19** faculties are Ph.D. holders while **05** are pursuing Ph.D. Two faculty members are on BOS of S.G.B Amravati University and 01 member is on autonomous institution and 01 faculty has been working on Board of Physical Education and Sports. One of the staff members has worked on a committee to establish new Pali and Buddhism Department at University. The institution encompasses sprawling campus of **07** acres and Gymnasium Hall and many play grounds in a **15** acres land which is 3 km away from the campus. In the session **05** students have won University Color Coat in various sports events. It is a great matter of pride that **06** students have also shown flying colors in the academic fields and have grab rank in the merit list of University. The institution has successfully organized **05** workshops/e-workshop and 01 FDP on NAAC. More than 1500 students are enrolled every year.

The institution arranges various activities to imbibe and inculcate social, moral, patriotic, spiritual and national values among the students.

Codes of professional ethics guide all stakeholders of the institution about its principles of integrity, accountability, inclusiveness, commitment and sustainability. All stakeholders work within the institutional policies and practices so as to satisfy the '***Vision and Mission***'.

The institution successfully completed Green Audit and ISO certification of the campus. The institution was accredited with 'B' Grade (Score 2.05) in second cycle by NAAC.

Implementation of e-governance ERP

To Whom It May Concern

n

It gives me a great pleasure in mentioning about the software's provided by dotcom ERP Infotech PVT. Ltd. Amravati to **Mungsaji Maharaj Mahavidyalya, Darwha, Dist Yavatmal (MS).**

The Software contains the following modules-

- Admission and Administration Management System
- Finance and Account Management System
- Website

Using these packages it got easier to handle all the activities of Student Life Cycle. Like, from student's Admission fees to TC, reports can be generated. Administration and Finance reports can also be created.

The extensive training of all the packages was given by the team of the eDotcom Infotech PVT. Ltd. Amravati. All the packages have been implemented successfully; the service & support are excellent & cooperation of user is appreciated.

Thanking & Regards.

6. Teaching Learning Evaluation

Our institution is committed to quality education and training, propelled the growth of our students. We shape our students by honing their skills, instilling a sense of responsibility in nation building by cherishing humane values. In our efforts towards the above mentioned goal, we have introduced different courses to bridge the gap between the institution and the industry. We assess the students' strengths and weaknesses in academics and aptitude and address their needs through various Bridge Courses, Certificate Courses, Modules on Personality Development, Courses on Life Skills etc. Use of Information & Communication Technology (ICT) and other visual aids support, enhance, and optimise the delivery of information in education by integrating technology to the curriculum has a significant and positive impact on students' achievements. Our students are exposed to technology through education to have better 'knowledge', presentation skills, innovative capabilities, so that they are ready to take more efforts into learning as compared to their counterparts. Bridge Courses, Remedial & Tutorial classes, Assignments, Project work, Seminars, Guest lectures, Workshops, are integral part of teaching learning process to enhance the student learning abilities.

Tutorials and Remedial Classes

Some departments conduct Remedial classes for students who are below the expected level to build subject competency and to help them cope up with the advanced concepts. Tutorial classes are also engaged to the slow learners by paying individual attention, to motivate and help them academically.

Student Bridge/Induction Course

Such programmes strive to create a safe and caring environment committed to enhancing students overall growth through a variety of opportunities and experiences. It aims to provide information and resources that allows students to make informed and appropriate academic plans and healthy social choices.

Bridge Courses/ Remedial Classes

The institution organized Bridge Course for entry level students. Remedial courses conducted for SC/ST/OBC students. Classes for slow learners and advanced learners have been organized.

Teaching-Learning Process

In order to give autonomy to learner, attention has been focused on acquiring life skills and practices that enable life long learning, develop in dependent problem solving abilities. The student's centric methodologies adopted by our institution to provide enhanced learning abilities to the students.

Due to Covid-19 situation, lecture method is effectively followed in the online classes. The use of e-

books, e-content, e-reading material and video lectures by experts shared with students through WhatsApp group, Google Classroom and e-mail etc. Home assignments and tutorials are given online. Activities like students' online seminar, MCQ discussion are effectively followed in the session.

Participation in essay writing, quiz competitions, poster presentation, theme based Rangoli and elocution competitions through which learners acquire knowledge and develop their interpersonal skills. For some UG and PG courses the project is an essential part of curriculum which has been also completed online. Due to experiential learning, competency level of students is supposed to be enhanced.

Online certificate courses and online viva arranged as per instructions of the university.

We have arranged talks on social issues. Problem solving sessions are conducted to enhance the participative learning. The students are also encouraged to participate in different seminars organized by other institute.

Teachers use ICT enabled tools for effective teaching – learning process.

Some class room is well-equipped with LCD projector and screens. The college has installed separate Wi-Fi unit for the students inside the campus. Further, it has computer lab. Broadband Leased Line Internet connection is highly useful to function all the above devices very speedily. All staff is well familiar with all the latest ICT tools. To strengthen their knowledge, college has conducted workshop on 'Moodle' and 'Google Classroom',

All department use PPT and multimedia to make teaching-learning processes more interesting. Some teachers have appeared for the MOOCs and some have successfully completed such courses.

To keep pace between the students and teachers in the changing scenario, library is regularly updated with online resources, InFLIBnet membership is regularly upgraded and N-list, Shodhganga, Shodhsindhu and allied resources are provided free of cost.

Institution has created its online repository. Some faculties uploaded their video lectures on college 'YouTube' channel and some prepared CD's on reading materials. Our library is consisted with good number of educational CDs and DVDs. In present scenario of Covid-19, social media tools are skillfully used by the college through WhatsApp, Zoom, Google Meet, Goto Meeting, Telegram, SWAYAM, NPTEL etc. The institution encouraged teachers to attend online training programmes, workshops, seminars and conferences related to the ICT use or innovation in teaching-learning.

Sub: Queries Regarding Shodhganga and e-ShodhSindhu being received from Colleges: Clarifications

The INFLIBNET Centre receives numerous queries from Colleges regarding membership to Shodhganga and e-ShodhSindhu. Following clarifications are being provided in this regard:

Shodhganga: Shodhganga is an Open Access Repository of full-text theses submitted to universities in India. Membership is not required to browse, view, search and download theses available in Shodhganga. However, INFLIBNET signs MoUs with universities so as to facilitate submission of electronic version of theses into Shodhganga and synopses/approved research proposals into Shodhganga. The eligible universities that signs MoUs with INFLIBNET Centre on Shodhganga are provided access to anti-plagiarism software. Colleges are not eligible for this benefit. (Details are available at <http://shodhganga.inflibnet.ac.in>)

e-ShodhSindhu: Colleges that are covered under 12(B) & 2(f) Sections of the UGC Act and are under direct purview of UGC are entitled to get access to e-resources under NLIST programme except for Colleges imparting education in Agriculture, Engineering, Management, Medical, Pharmacy, Dentistry and Nursing. NLIST is college component of e-ShodhSindhu. NLIST subscribes to a sub-set of e-resources that are subscribed under e-ShodhSindhu. As such, Colleges that are already getting access to e-resources under NLIST do not require membership of e-ShodhSindhu. (More details are available at <http://nlist.inflibnet.ac.in/members.php>)

10.Evaluation Process and Reforms

In the beginning of each semester, the students are introduced with the prescribed syllabus in detail by making them known with its scope. The syllabus pattern, weightage of marks and importance of some major topics from examination point of view have been discussed with them. The unit tests, home assignments, seminar, projects, interview and viva-voce are conducted as a part of internal evaluation. Such continuous evaluation allows the teachers to assess the students, track their progress and identify slow and advanced learners.

The students' laboratory performance is examined by conducting internal laboratory tests. Before the

commencement of the university examination, preparatory examinations and question paper solving sessions are conducted to boost the students' confidence. Through text books, reference books, encyclopedia and N-list, Students get chance to improve themselves by means of such this continuous evaluation system before appearing for the university examinations.

In present scenario of Covid-19, the faculty try to reach at the doorstep of students by using e-tools also such as Google Class room, WhatsApp, Google form, YouTube, Zoom App, Google meet etc. The study material and questions related to the subject are posted on above platform. Students' also raised their queries and that are answered by the faculty.

Mechanism to deal with internal examination

To deal with internal examination grievances, there is a separate mechanism in our college. The internal examination grievances of the college students are either at the college or at the University level. The college level grievances are redressed by the Internal Examination Committee, the concerned heads of the departments. The university level grievances are redressed by examination coordinator under the guidance of the Principal.

If any student is unable to appear for the internal examination due to illness, participation in co-curricular, extra-curricular activities or genuine reason, there-examination is conducted for such students. After the evaluation of the answer books, marks are displayed on the notice board. If there is any grievance regarding the internal examinations, it is redressed positively in time.

The follow up of university level grievances of internal examination is actively taken by examination coordinator of the college, so that such student may not suffer from the academic loss.

In this session 2020-2021 even and odd semesters examinations are conducted online due to covid-19 situation, therefore all the staff members have taken the keen efforts in minimizing the university level grievances of not only at internal but also university level examination. Due to online examination the grievance of the students are found very negligible.

Report of the
One Day Workshop on Information
Literacy on Open Access E-Resources
and N-List

October 16, 2021

Report of the Workshop

Introduction

Every year we celebrate the birth anniversary of former President of India Dr. A. P. J. Abdul Kalam as “Reading Inspiration Day” (वाचन प्रेरणा दिन) by organizing book exhibition.

However, this year due to the pandemic of COVID19, the college was closed for the students and so as not to suffer any academic loss of them therefore, an online workshop was organized in collaboration with Jijamata Arts College, Darwaha to enlighten the students and other members about how to use the e-books and e-journals and other e-resources provided by the library.

Title of the Workshop

One Day Workshop on Information Literacy on Open Access E-Resource and N-List.

Date: 14/10/2021

Location and Period of the Workshop:

Workshop is organized inonline modeon the Zoom Plat form for a day.

Issue Addressed:

Mungsaji Maharaj Mahavidyalaya Library has subscribed to the N-List Consortia of INFLIBNET since 2016 andlinks of Open Access E-resources are give non the college website.

In this workshop the participants were given the information about what is N-List and how manye-resources are available underN-List

programme and how to access these e-resources. They were also guided on how to read and download these e-resources for their academic purposes.

In addition to that it is also introduced about how to use the links of Open Access, E-Resources given on the college library website.

Objectives of the Workshop:

The objectives of the workshop are

- ❖ To enlighten the users of the library about the N-List and open access e-resources available in the library.
- ❖ How to access these e-resources and how to use them for their academic purposes.

Outcome of the Workshop:

Participants came to know about N-List and other Open Access E-Resources.

Opening:

The Workshop starts with the Introduction of the Inaugurator of the Workshop Dr. A. P. Jadhao, Principal, Jijamata Arts College, Darwaha. He in his inaugural speech stated the importance of e-resources in the current scenario and he also insists that the students should have to use these e-resources to the fullest.

Closing:

At the closing, Chairperson of the workshop Prof. S. B. Chakave, Vice-Principal of Mungsaji Maharaj Mahavidyalaya, Darwaha, stated the need for such a workshop in the current scenario and believes that the users will make utmost use of these e-resources.

मुंगसाजी महाराज महाविद्यालयातील रक्तदान शिबिराला उत्स्फूर्त प्रतिसाद

■ दारुळा (वा.) ■ स्थानिक मुंगसाजी महाराज महाविद्यालयात राष्ट्रीय सेवा योजना विभागाच्यावतीने भव्य रक्तदान शिबिराचे आयोजन शुक्रवारी करण्यात आले. विद्या प्रसारक मंडळाचे अध्यक्ष वसंत घुईखेडकर आणि सचिव डॉ. संगीता घुईखेडकर यांनी तसेच महाविद्यालयाचे प्राचार्य डॉ. विलास राजूत यांनी महाविद्यालयातील विद्यार्थ्यांना तसेच दारुळा शहरातील नागरिकांना या रक्तदान शिबिरामध्ये सहभाग घेऊन जास्तीत जास्त संख्येने रक्तदान

करावे असे आवाहन तसेच नव विनंती या वृत्तपत्राच्या माध्यमातून करीत आहे. रक्तदानाचे महत्त्व आपल्या सर्वांना माहिती आहे. शरीरातील रक्तात महत्त्वपूर्ण घटक असतात जे आपल्या प्रकृतीकरिता आवश्यक असतात.

त्यांची संख्या कमी झाल्यास आपली रोगप्रतिकारक शक्ती कमी होते. परिणामी आपण आजारी पडतो. म्हणून नियमित रक्तदान करणे आवश्यक असते. रक्तदान करीत राहिल्याने आपल्या शरीरात नविन रक्त निर्माण होत राहते. शिवाय आपण रक्तदान केल्याने गरजू व्यक्तींची गरज देखील भागते. आपण एखाद्या व्यक्तीची अप्रत्यक्षरीत्या मदत करीत असतो. हि सेवा समाजासाठी महत्त्वपूर्ण सेवा मानली गेली आहे. चला रक्तदान मोहीम राबवूया, रक्तदान करून जीव वाचवूया.
