Session 2016-17

Report of the Activity

Competitive Examinations Guidance Workshop,

On 7/10/2016

No. of Beneficiaries- More than 1000

Mungasaji Maharaj Mahavidyalaya, Darwha had organized Competitive Examinations Guidance Workshop on 7/10/2016 to create awareness among the rural area students, the institution started this practice. Now-a-days government policy is depended on entrance-oriented examinations. But among rural area students, we see lack of knowledge and inferiority complex about this which is increasing day by day. Even though students having ability to attempt these exams, they are lagging behind in the competitive examinations due to lack of courage and motivation. To lessen their fear and inferiority complex, our institution started many programmes under this practice, such as small-scale industry development camp, self-employment camp, competitive examination guidance, coaching classes, students' career guidance cell, organization of competitive exams through private agencies and NGOs. The efforts of the institution blossomed into fruits when many students of the college got opportunities in various sectors of life. Choosing the right career may be one of the most important decisions that one makes under the roof of our institution. To promote awareness among the students and the needy.

Outcome of the Activity: To promote awareness among the students and the needy. Students get aware about the scope and availability of employment in various sectors i.e government, semi-government, public and private sector.
