

MUNGASAJI MAHARAJ MAHAVIDHYALAYA, DARWHA

5.3.2 Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution

Clarification

The institution gives proper representation to the office bearers & members of the student's council on the academic and administrative bodies/committees of the institution. Every year the formation of Student Council takes place in the month of August/September as per University guideline impartially. But the institution used to publish its prospectus in the month of May/June. So it is not feasible for the concerned committee to publish the prospectus along with representation of Student's council's office-bearers and members. Therefore after the formation of the Student's council, the institution gives them representation on various bodies/committee of the institution and the concerned representatives have been informed by the Student's Council Committee of the college by publishing separate notification.
